

Bingo

- Go to a free bingo card creation website and create your own bingo card.
 - Stick to a 4x4 so that you do not run over time.
 - Add topics to the card that are business and personal related.
 - Example: Has a bachelor's degree
 - Example: Has 3 or more kids
- Generate and print enough for your group and potential guests.
 - Bring pens (or ask another member in advance to supply pens)
- Place bingo card face down + pen at each setting
- Explain rules: Members must find a person that matches their squares and write the member name in the square. Can use a member name only one time on the board.

- Give them around 3 minutes. May get a bingo or 2.
- Have the bingo winners read their winning squares to the group
- Close by encouraging the members to use this information gathering to schedule one to ones with their fellow members to find out more!
